Summit has all its program offerings scheduled so that our Campers and Travelers may take advantage of both our Travel Options and our Sumer Camp Programs. Our ability to offer Early Bird incentives in Travel is based upon the overhead costs of the Travel Programs and cannot discount cash outlays for items such as Airfares, Hotels, meals, site visits and the like. The fees listed above are based upon the historical Summit Travel experience. Obviously Airlines and hotels have not yet set their prices for 2017 and we have not yet negotiated our final pricing. However, in the past we have found that our fee estimates are very close to the final fees charged and should not vary in large measure from those listed below. There are no additional discounts for Travel for multiple sessions or in combination with Camp

Land Only Option: All fees above are based with the tour beginning at Newark Liberty Airport. Call us to discuss departure from another location.
